وَمَا مِنْ دَابَّةٍ فِي الْأَرْضِ إِلَّا
عَلَى اللَّهِ رِزْقُهَا وَيَعْلَمُ
مُسْتَقَرَّهَا وَمُسْتَوْدَعَهَا كُلٌّ فِي

كِتَابٍ مُبِينٍ 11:6

and there is no living creature on earth
but depends for its sustenance on
Allah(swt); and HE knows its dwelling
place and where it is deposited,
all of this is in clear record
(Al Quran Chapter 11 Verse 6)

اور زمین پر کوئی چلنے پھرنے والا نہیں
مگر اس کا رزق خدا کے ذمے ہے وہ جہاں
رہتا ہے، اسے بھی جانتا ہے اور جہاں سوچتا
جاتا ہے اسے بھی۔ یہ سب کچھ کتاب روشن
میں (لکھا ہوا) ہے 11:6

the verse given here says that
wherever any living one lives is decided by Allah(swt)
and whatever anyone eats is given him to eat from Allah(swt)

to feel the truth of this verse
look carefully into yourself and look back into your life
do you eat everything that you plan
have you always lived at the place of your choice
