

Assalam-o-Alaikum

(May peace & blessings of Allah(swt) be on all you)

Which one is my hand in them?

I am not sure!

But my creator, Allah(swt) surely knows my hand, Because He has marked my hands with unique finger prints that do not match with any other hand

I never realized what my hands were doing until I read these verses of Quran.

Then, One day One very dear One, came to me and requested me to sign on a case in his favor but I refused

because I know that on the day of judgments my hands will not be on my side

The message is Hold your hands

Hold Your Hands

On the Day that the enemies of Allah will be gathered together to the Fire, they will be marched in ranks. (19)

Till, when they come close to it, their hearing and their sight and their [very] skins will bear witness against them, speaking of what they were doing [on earth]. (20)

And they will ask their skins, “Why did you bear witness against us?” - [and] these will reply: “God, who gives speech to all things, has given speech to us [as well]: for He [it is who] has created you in the first instance - and unto Him you are [now] brought back.

(Al Quran Chapter 41 Verses 19- 21)

On the Day when their tongues, their hands, and their feet will bear witness against them as to their actions.

(Al Quran Chapter 24 Verse 24)

That Day shall We set a seal on their mouths. But their hands will speak to us, and their feet bear witness, to all that they did.

(Al Quran Chapter 36 Verses 65)
