

(May Peace & Blessings Of Allah(Swt) Be On All Of Us)

LOOK INTO YOURSELF

لَقَدْ أَنْزَلْنَا إِلَيْكُمْ كِتَابًا فِيهِ ذِكْرُكُمْ

21:10 أَفَلَا تَعْقِلُونَ

[O MEN!] We have now revealed upon you a divine writ containing all that you have to bear in mind, will you not, then understand?

[Al-Quran Chapter 21 Verse 10]

above is a very special verse of Quran
its meanings cannot be told rather it can only be felt

the verse says to us
that this book (Quran) has things about us for remembrance

the words does not say anything
the truth is only known when you read and only then you will feel
that Quran knows a lot about you

at multiple locations
you would feel that this book (Quran) truly knows you
and you will actually find yourself in the Quran

a multiple locations
you would feel that it (Quran) knows what goes though your mind

read Quran in a language that you understand
try to know the message and you will feel amazing truths
but that will only happen if you will remain honest to seek guidance
