

(May peace & blessings of Allah(swt) be on all of you)

LISTEN CAREFULLY

وَإِذَا قُرِئَ الْقُرْآنُ
فَاسْتَمِعُوا لَهُ وَأَنْصِتُوا
لَعَلَّكُمْ تُرْحَمُونَ
7:204

When the Qur'an is read, listen to it with attention, and hold
your peace: that ye may receive Mercy
(Al Quran Chapter 7 Verse 204)

How would you feel

If the people to whom you speak would not listen!

Do you keep talking without paying any attention while your boss is talking to you

Remember Allah(swt) talks to you through Quran so be sure not to speak a word when you hear Quran

You will have the Mercy of Allah(swt) as it is promised in the above verse

Sometimes we put the recitation of Quran while driving but we do not stop our talks during that, sometimes the recitation of Quran is going on TV and we talk on the phone or to each other This message is prepared to make all of us to realize that we must not take it unimportant it is very serious

(you either turn the recitation off or you keep yourself off)
