PATH TO OBEY

إِنْ تَجْتَنِبُوا كَبَائِرَ مَا تُنْهَوْنَ عَنْهُ نَكْفُرْ عَنْكُمْ سَيِّئَاتِكُمْ

وَنُدْخِلْكُمْ مَدْخَلًا كَرِيمًا 4:31

اگر تم بڑے بڑے گناہوں سے جن سے تم کو منع کیا جاتا ہے اجتناب رکھو گے تو ہم تمہارے
(چھوٹے چھوٹے) گناہ معاف کر دیں گے اور تمہیں عزت کے مکاتوں میں داخل کریں گے

if you avoid the great sins,

which you are forbidden to do, We shall efface your [minor] bad deeds,
and shall cause you to enter an residence of glory

(Al Quran Chapter 4 Verse 31)

knowingly or unknowingly

most of us do so many minor mistakes and serious sins
but for every bad thing we do something inside us makes us to feel bad
and most of us promises and plans not to do anything like that again
but when and where to start stopping ourselves

above verse guides us

that if we will stop committing big sins
those mentioned in Quran then minor ones will be forgiven
and protection from doing minor sins will be provided

so here is the path to obey

Read Quran and see which sins are repeatedly mentioned
for what sins earlier generations were punished
what are the boundaries set by Allah(swt)

now after reading

take extra care that you must not
do anything that is commanded as not to do
if you will start saving yourself from doing major sins
you will be saved from doing minor sins

START STOPING YOURSELF FROM DOING WRONG
