

(May Peace & Blessings Of Allah(swt) Be On All Of You)

PERFECT PROTECTION

15:9 إِنَّا نَحْنُ نَزَّلْنَا الذِّكْرَ وَإِنَّا لَهُ لَحَافِظُونَ

***behold, it is WE, Ourselves, who have sent down, this reminder?
and, behold, WE shall truly guard it [from all corruption]
(Al Quran Chapter 15 Verses 9)***

the text of Quran is exactly the same
all over the world as it was 1400 Years ago

look back in history to know the truth of above verse
see how many wars and natural disasters went through all those years
see how many different regimes of power changed
see to how many distant areas it was spread

yet the Quran is remained protected
not a single word is changed
neither the location of any word is ever changed

the presence of above verse shows that
Quran is from Allah(swt) WHO is ever able to protect it
and WHO knew that it will remain protected throughout the history

those who doubt that some human may have written it
they should seriously and honestly think that
how any human could make such a claim
while he would know that he will die one day like everyone else

QURAN IS A LIVING MIRACLE STILL CHALLENGING THE ODDS TO TRY
