

(May peace & blessings of Allah(swt) be on all of you)

## PLANT PAIRS

سُبْحَانَ الَّذِي خَلَقَ  
الْأَزْوَاجَ كُلَّهَا مِمَّا تُنْبِتُ  
الْأَرْضُ وَمِنْ أَنْفُسِهِمْ وَمِمَّا  
لَا يَعْلَمُونَ 36:36

*Glory to Allah, Who created in pairs all things that the earth produces, as well as their own (human) kind and (other) things of which they have no knowledge  
(Al Quran Chapter 36 Verses 36)*

Previously, humans did not know that plants too have male and female gender distinctions. Botany states that every plant has a male and female gender. Even the plants that are unisexual have distinct elements of both male and female.

The Qur'an here says that everything is created in pairs, including things that the humans do not know at present and may discover later.
