(May peace & blessings of Allah(swt) be on all of you)

## **STOP BACKBITING**

O ye who believe! Avoid suspicion as much (as possible): for suspicion in some cases is a sin: And spy not on each other behind their backs. Would any of you like to eat the flesh of his dead brother? Nay, ye would abhor it...But fear Allah. For Allah is Oft-**Returning**, Most Merciful (Al Quran Chapter 49 Verse 12)

A very clear and open command of Allah(swt) in the verse above Do not spy on others and do not say bad things about others in their absence It's like eating up meet of the dead that can't stop you from doing that

There would hardly be anyone of us who never did that So the last part of the verse tells us to ask for forgiveness from Allah(swt) as Allah(swt) is most forgiving & merciful
