

(May Peace & Blessings Of Allah(swt) Be On Us All)

Turning The Light On

قُلْ أَرَأَيْتُمْ إِنْ جَعَلَ اللَّهُ عَلَيْكُمُ اللَّيْلَ سَرْمَدًا إِلَى يَوْمِ
الْقِيَامَةِ مَنْ إِلَهٌ غَيْرُ اللَّهِ يَأْتِيكُمْ بِضِيَاءٍ أَوْ لَيْلًا تَسْمَعُونَ 28:71

کہو بھلا دیکھو تو اگر خدا تم پر ہمیشہ قیامت کے دن تک رات (کی تاریکی) کئے رہے تو
خدا کے سوا کون معبود ہے جسے جو تم کو روشنی لا دے تو کیا تم سنتے نہیں؟ 28:71

Say: “Have you ever considered that: If Allah(swt) had willed that there should always be night about you, without break, until the Day of Resurrection – then is there any deity other than Allah(swt) that could bring you light? Will you not, then, listen [to the truth]?”

(Al Quran Chapter 28 Verses 71)

scientists tell
that the earth we live on is revolving
the side of it towards SUN gets a day and on the other falls night
this happens every day since thousands of years

we all have seen so many days and nights but
have we every thought what is this turning on and off
why it is always the same, why there is always a day after night
why don't the earth stop revolving

verse above invites us to think on it
what will happen if there is no day or night
will everything will be same
will we survive
if no

the ONE inviting us to think on it
is the ONE that is keeping us alive by controlling it
there is a sign of Allah(swt) in it
